‡Facts for the first nine sessions are gleaned from the General Minutes and from the Conference Journal for those years, which is now in custody of the North Carolina Conference of the M. E. Church, South

†At this date the Conference had 19,499 white members, and 3,390 colored. Without consulting the wisdom of the latter, nearly the whole membership became part of a new church, organized in May, 1845, and called the Methodist Episcopal Church, South. At the close of the war in 1865 most of the colored members left the Church South. Some entered the A. M. E. Church; some the A. M. E. Zion Church; some the Colored M. E. Church of America; but thousands gladly returned to the bosom of the old Methodist Episcopal Church as it returned to the State.

*At this session a new Conference—the Blue Ridge—was formed, with twelve preachers, 2,839 members and probationers, and 41 church edifices.

Presiding Elders' Reports.

GREEENSBORO DISTRICT.

DEAR FATHER AND BRETHREN: It has pleased God to spare us to meet another Annual Conference, and through a period of severe illness His hand has guided us. On the whole the brethren have worked faithfully.

The temporal condition of the district is good.

CENTRAL RANDOLPH.—Rev. R. J. Shipp has done a good work. One church has been built on this charge, and lumber on the ground for another.

GREENSBORO.—Rev. S. A. Peeler is wide awake to the interest of the church. Some $600 has been raised this year for a new church.

EAST GREENSBORO.—Rev. R. D. Bethea has raised some money for a new church.

LEAKSVILLE.—Rev. M. Mundy has built a very handsome little church at Mt. Zion.

REIDSVILLE CIRCUIT.—Rev. E. H. McArthur has ceiled one of the churches on this charge.

ROCKY MOUNT, VA.—Rev. W. F. Allen has remodeled the church there at a cost of $40. Conversions, 3. Benevolences, $10.

The spiritual condition is healthy. Most of the charges have had glorious revivals.

SUNDAY SCHOOL AND EPWORTH LEAGUE.

We have on the district thirty-seven Sunday-schools, all of which

have been visited and encouraged as far as practical. Most of the Sunday-schools are organized into Missionary Societies, and use the church literature.

There are twenty-two Epworth League chapters on the district. Many of these are proving a blessing to the young people.

EDUCATIONAL.

Bennett College closes each year under more favorable conditions, and re-opens each school year with more flattering results. Drs. Chavis and Morris, Professor Peters and other members of the faculty are doing heroic work for God and humanity.

KENT HOME.

Miss Carrie Crowell, Superintendent, is doing a great work in training the young ladies who go there, along the lines of industry, and lifting them into the highest type of Christian womanhood.

Yours,

ISAAC WELLS, *P. E.*

WESTERN DISTRICT.

To Bishop and Members of the North Carolina Annual Conference.

DEAR BISHOP AND BRETHREN:—The Lord has blessed me during this year with good health so that I have met my appointments, and through the mercies of God we meet to report the work of the year. I was appointed to this district by Bishop C. D. Foss one year ago. I entered upon the new field recognizing the great responsibility resting upon me. But with renewed consecration and implicit trust in God I determined to do my best. I found the district in a healthy condition, but remembering that progress is a law of God's universe and that the kingdom of God is to be advanced by conquest, we have endeavored to go forward and conquer the world for Christ. We view with pride and admiration the work accomplished through the heroic efforts of pastors and people in the charges of the district, and return our sincere thanks to Almighty God for the gracious providence which brought us success. This district has nineteen appointments, ten of which are missionary points.

REVIVALS.

Nearly every charge has been blessed with great revivals. A great number have been converted and brought into the church. The

churches have been quickened to spiritual activity. The fire is still burning and the people giving God the praise for His goodness.

EDUCATION.

Our people are realizing more and more the need of Christian Education. A large number of our young men and women are preparing to enter school this fall, some at Bennett College, others at the Industrial School at Asheville, which is the best school in the State for girls.

TEMPERANCE.

We have spent much of our time in preaching and lecturing to our people on temperance. The results have been marvelous. Many have given up snuff, tobacco and drink. We will continue to fight against intemperance until our church and land are free from the curse.

BENEVOLENCE.

Owing to the great rains and high waters, resulting in the destruction of crops in many places, money has been hard to collect, yet we have made some advancement. I have urged in all the charges the need of collecting every dollar apportioned to the district. Reports will show that we are moving upward.

EPWORTH LEAGUE AND SUNDAY-SCHOOL.

Our Epworth League and Sunday-schools are moving along nicely. We held a successful convention at Lenoir in June. Our Leagues and Sunday-schools received fresh courage and a good work is being done. I have made every effort this year to get our people to take our church papers. I have succeeded in selling quite a number of books and some Epworth League literature.

SUMMARY OF THE WORK.

ASHEVILLE.—Bro. A. S. Cottingham has done good work. Bought a lot to move the parsonage and raised $205 for the new church. We must have a church in this town. Bro. Cottingham is a wise and safe leader. His people love him.

BOONE.—Bro. J. D. Waddell has made some improvement on the church. The pastor has worked hard with good results.

CALDWELL.—Bro. M. A. Hicks has built a little church. This is a hard field. The pastor has shown himself willing to endure hardship as a good soldier for Christ.

FOREST CITY.—Bro. J. C. Robbins has done excellent work. He has built a new parsonage using what material of the old that could be used. Lumber is on the ground to build a new church at Brook's Chapel. He had a glorious revival on this charge.

FRANKLIN.—Bro. A. A. Vaughn was appointed to this charge, but gave up the work. I supplied the work with Bro. S. B. Cornelius.

GASTONIA AND BESSEMER.—Bro. A. H. Newsome. This charge is in a good condition. Things are moving just right. They have raised money to beautify the church. Many members have been added to the church and the congregation greatly improved.

HICKORY AND NEWTON.—Bro. J. W. Wells has worked hard to build the church started last year. He has paid the "Bal. Due" on the lot and for the lumber put on the lot last year. The building is framed, storm sheathing put on and covered. He has done a good work at Newton also. The charge is alive.

LENOIR.—Bro. Robert Smith has done a noble work as his report will show. The church has been painted at Lenoir and ceiled at Warrior Gap. Bro. Smith's long experience as pastor and presiding elder, has fitted him for successfully managing his people. He should be commended for his push and zeal for Methodism.

LINCOLNTON.—Bro. W. F. M. Edwards left his work and but little has been done. I supplied the work with Bro. P. F. Johnson.

MACHPELAH.—Bro. G. W. Brower. This charge is in good condition. They have had a great revival. The pastor and people are happy over the great success.

MAYHEW.—Bro. J. C. Addie has led his people to success. He has had a very good year and much done for the Master.

MARIAN.—Bro. M. H. Hinton, has done a good years' work, and this charge is in a good condition.

PATTERSON.—Bro. A. L. Foster, has worked hard with good results.

SHELBY AND FOLSTON.—Bro. J. M. Roan has repaired the church at Folston and done a good work at Shelby also. He had a glorious revival resulting in the conversion of many souls.

SHERRILL'S FORD.—Bro. S. A. J. Miller. A parsonage has been started and the people are expecting to have it ready for the preacher when he comes from Conference. Bro. Miller is a good worker.

STANLY AND MT. HOLLY.—Bro. P. F. Johnson. This is a hard field but an inviting one. They have paid for the lot at Mt. Holly and are arranging to build.

STATESVILLE AND PHILADELPHIA.—Bro. J. A. Laughlin has had a successful year. This charge is in a good condition spiritually. We owe $35.00 on the lot at Statesville. The membership is small, consequently we can hardly make a show, but we have made many friends and the outlook is better than ever before.

WAYNESVILLE.—Bro. S. B. Cornelius has done a faithful years' work, with little results.

WEST ASHENILLE.—Bro. Wm. Crawford has done good work and many have been added to the church.

I have not failed to see after all the interests of my district. I have preached 115 sermons and delivered 25 lectures.

Respectfully submitted,

MILTON M. JONES, *P. E.*

WILMINGTON DISTRICT.

DEAR BISHOP AND BRETHREN:—By the help of God we meet to report the work done on this District this year.

I was appointed to this District one year ago by Bishop Foss, and, realizing the new responsibilities that came to me, I entered the work to do my whole duty, by the help of God, the Great Leader. I found most of the work in good condition and we have labored hard to keep the work alive and to make some improvements on what had been committed to our hands.

The continued rains during the Spring, and Summer, causing shortness of the crops, hindered us from reaching the desired mark on salary and benevolence, but by the help of God we have made some progress on all lines.

This has been a year of hard work with us, and many persons have been brought to Christ and added to the church as the result of our labors. We have had good revivals on most of the charges with great success.

FINANCIAL CONDITION—INDEBTEDNESS, ETC.

FAYETTEVILLE.—Soon after the last Annual Conference, our church here was sold to satisfy the claim of one Mr. Watson, who furnished the material with which to build the church. (Unfortunately for us here this charge was left for three or four years without a pastor, consequently there was no one to look after the indebtedness.)

WILMINGTON.—A loan of $600 during the pastorate of Rev. G. W Morehead, with interest to date, amounts to one thousand and eight dollars ($1008.00) due the Church Extension Society. During Brother West's pastorate, unfortunately for us, the church was burned, with no insurance, and until this year nothing has been paid on the indebtedness.

NORFOLK, VA.—We have two churches here, one of which is indebted to a member of the Washington Conference over $400.00 for building, etc. The two churches here together have *only* seven members, and the $400.00 seem a heavy burden. However, by the help of God we are trying to plan to cancel the debt.

THE CONDITION OF CHARGES.

ELKTON.—Rev. A. R. McNeill, pastor.—The church at St. Johns has been ceiled and covered at a cost of $200.00.

GOLDSBORO, KINSTON AND NEWBERN—This charge covers too much territory for one man and we recommend a change. Through the struggles of J. E. Champlin, Goldsboro has about held its own. A bell has been bought for this church at a cost of $40.00. Conversions, 7. Benevolences, $10.00

HAMLET—Rev. H. Evans, pastor.—The church at Hamlet has been seated at a cost of $88.00. There is some money on hand for building at Eulers Grove. This work is too large for one man and we recommend a change. Money raised for building and improvements, $90.00. Benevolence, $78.00

LAURINBURG—Rev. S. F. B. Peace, pastor.—This is the leading charge on the district in membership. Some improvement has been made on the parsonage and the pastor has organized a new point near Beaver Dam. Amount raised for building and improvements, $65.00. Benevolence, $130.00. Conversions, 70.

LUMBERTON.—Rev. G. W. Byers, pastor.—This is a good work. The church at Lumberton has been underpinned at a cost of $55.00, and they are planning to enlarge the church. Raised for building and improvements, $65.00. Benevolence $80.00. Conversions, 48.

MAXTON—W. P. Hayes, pastor. This work is in a flourishing condition. At Maxton the tower has been finished and painted. Amount raised for building and improvements, $134.00. Benevolence, $103. Conversions, 40.

MELROSE—Rev. J. D. Murphy, pastor. The indebtedness of $98.00 has been paid and some improvements made. For benevolence, $85.00. Conversions, 36.

MONROE.—Rev. E. Howard, pastor.—This work is six or seven miles in the country. It has about 30 members. We are trying to get in town. No improvement has been made on this work. Benevolence, $7.00.

NEWPORT NEWS.—This is a new point, organized by Rev. J. M. McLoud in July. There are about 9,000 hands in this place employed on the shipyard and we should have a church here by all means. Should we get a start here the outlook would be bright. Benevolence, $8.00. Conversions, 1.

NORFOLK, VA.—Rev. L. G. McDonald, pastor.—This work, on account of sickness and death in the family of the pastor, has made but little improvement. Benevolence, $2.00.

PLEASANT RIDGE, VA.—Rev. G. B. McLean, pastor.—This is a

very good work and we hope to add another church soon. Building and improvements, $70.00. Benevolence, $34.00. Conversions, 5.

RED SPRINGS AND PROSPECT HALL.—Rev. J. M. McNeill, pastor. This charge is moving up the line. A church lot, costing $70.00, has been bought and paid for. The pastor and his people are building a neat church at Red Springs, by plan 41. Size 28x45. We are also building at Prospect Hall. Building and improvements, $200.00. Benevolence, $27.00. Conversions, 9.

ROWLAND AND SALEM.—Rev. B. F. Thomas, pastor, has made some improvement on the work this year. The church at Salem has been painted on the outside. This is a good work and the people ask for Rev. Thomas's return. Building and improvements, $85.00. Benevolence. $68.00. Conversions, 8.

SWAN'S—Rev. S. P. Steele, pastor.—A parsonage has been built at a cost of $60.00. Benevolence, $13.00. Conversions, 8.

WILMINGTON AND BURGAW.—Rev. M. C. Rogers, pastor.—The church at Wilmington has 20 members and has paid on old indebtedness to the Church Extension Society, $5.50. Building and improvements. benevolence, etc. $18.00. A new church is being built at Burgaw. We hope to move off in Wilmington and complete our church and pay the Board of Church Extension all we are indebted to it. The pastor is doing his best for the work.

SUNDAY SCHOOLS.

There are 30 Sunday Schools of the district, a gain of two. They all seem to be in a flourishing condition and all use our literature.

EPWORTH LEAGUES AND DISTRICT CONFERENCE.

There are 15 chapters, some of which are doing good work. The District Convention at Rowland in June gave new vigor to the Leagues and Sunday Schools. Speeches, which encouraged the work, were made by Dr. J. P. Morris and others.

The District Conference at Newport News and Beauty Spot were well attended. Dr. J. D. Chavis was present and made a good impression for the work of the church.

EDUCATIONAL.

We have none of our church schools on the district, but many young people who are anxious for an education attend Bennett College at Greensboro and the Whiten Normal School at Lumberton. We are trying to show the young people the need of educational training in Christian schools.

Respectfully submitted, M. J. BULLOCK, P. E.

WINSTON DISTRICT.

To the Bishop and Members of the North Carolina Annual Conference.

DEAR FATHERS AND BRETHREN.—I present to you the following as my fifth annual report of the Winston District. The year just closed has been one of earnest labor:

CONDITION OF THE WORK.

The district is in good condition. Though this has been a year of many trials and perplexities, yet we have much to be thankful for to our Heavenly Father, who has enabled us to overcome and surmount many of them. Our success has not been all that we have desired on account of so many of our members moving West and North hunting work.

The Winston District Conference sent out some resolutions asking our people to think before selling out and breaking up our homes. We think we have helped the work along this line. The most of the pastors and members seem to be in heart, and I find that where the pastors keep level the members do the same.

The following charges are building and raising money to build. Those building—Mt. Airy, Boston Cottage, on Winston circuit and High Point. Those that made improvements—Asheboro, Kernersville, Thomasville, Wilksboro, Mt. Pleasant, Advance and St. James, on Winston circuit. Those raising money for building purposes—Charlotte, Winston. St. Paul, Walnut Cove and Andrews Grove, on the Thomasville charge.

As Presiding Elder and co-worker with my brethren, I have tried to do my duty as I understood it.

I have urged all the benevolent causes and helped the pastors and committees whenever I could. I have helped in all the revival meetings that I could reach. Our revivals have been good this year. A very great many souls have been converted and added o the church, and all the churches have been revived.

TEMPERANCE.

There is a sentiment among our people against the saloon and if prayer alone were sufficient to remove the monster alcohol and its deadly work, its existence would be of short duration. But this is not enough. We join the Temperance committee and Epworth League, the W. C. T. U., Y. M. C. A. and our Conference Evangelist in stamping the fell destroyer out of existence. And we can see the great effect of the of the work done. And the district says: "Paise the Lord!" for the use that he has made of our Conference Evangelist, E. M. Callett, along this line, and along the line of tobacco and snuff and other things that destroy manhood and womanhood.

EDUCATION.

We believe in the education of the head, hands and heart. Therefore we recommend a Christian education as the only means by which we can rise to a higher life. The M. E. church offers opportunities that connot be surpassed for this purpose. Therefore we recommend the schools to the people of the Winston district, especially Bennett College, Greensboro, N. C., and Allen Industrial Home, Asheville, N. C. The students of Bennett College find employment easier than any others when they are once known. The girls of Allen Industrial home are more lady-like in their deportment because of their association with the superintendents and teachers of that school. We do not love others less but ours more.

EPWORTH LEAGUE.

Our Epworth League work is moving along nicely, especially in the cities. We held a very successful District Epworth League and S. S. convention at Thomasville in the month of July. It was very largely attended, nearly all the Leagues being represented.

Our district had the honor of sending a delegate to the International convention held at San Francisco, Cal., last July, in the person of our esteemed brother and friend, J. D. Diggs, B. S. The district has 23 chapters and 800 members, an increase over last year of 8 chapters.

SUNDAY SCHOOLS.

Our Sunday Schools are in better condition than in any previous year. The old as well as the young are in attendance. Most of the pastors have classes and old men and women are buying spectacles and glasses and are going into reading. Some who did notknow their A B C's a year ago are now Bible readers. This is where pastors take an active part in the work.

Our Sunday School convention was in connection with our Epworth League convention at Thomasville, N. C., and was a grand success.

SUMMARY OF THE WORK.

ADVANCE.—A. B. McQueen, pastor.—This work is in good condition, spiritually. And the Sunday school and Epworth League work is good. But its financial condition is very meager. The pastor has labored hard to build up the work and has succeeded well. Conversions, 28. Accessions, 23. Benevolences, —. Money raised, $300.00.

ASHEBORO.—Rev S. P. West, pastor.—This work has done better this year than any previous year. Brother West has kept himself busy and has kept all around him the same. He has beautified the church at Asheboro by painting it within, and has laid in the

floor and ceiled the one at St. Mark. He is a worker wherever you put him. The people want him back. Conversions, 52. Accessions, 49. Benevelences, $57.

CHARLOTTE.—Rev. R. A. Cottingham, pastor.—This work is in good condition. Brother Cottingham is doing all in his power to make Simpson Chapel the leading church in the Queen City for intelligence. He is an earnest worker in all the enterprises. On account of the financial crisis he has not been able to do all desired along the line of building and improvements. But we can see a ray of light ahead for Charlotte.

HIGH POINT.—Rev. S. L. Johnson, pastor.—This work is in good condition. The church has been ceiled and plastered within, as you can see. Brother S. L. Johnson, pastor, was taken down with fever about the second week in July and has not been able to look after his work since. Rev. J. P Morris took charge of the pulpit on the Sabbaths, and the officers and members have looked after the other interests of the work. The work had such a good start before Brother Johnson was taken down that it has never stopped. The progress is slow but sure. All High Point needs is a good pastor and the work is safe. Conversions, —. Accessions, 37. Benevolences, $40.00. Money raised, $757.00

JONESVILLE AND WILKESBORO.—Rev. J. W. Jones, pastor.—This work is in good condition. We have bought a nice lot in North Wilkesboro at a cost of $100.00. Also beautified our church in old Wilkesboro by completing it inside. This is Brother Jones's seventh year on this work and the people are still asking for his return. Conversions, 82. Accesions, 65. Benevolences, $24. Money raised, $449.00.

KERNERSVILLE.—Rev. F. L. Bost, pastor.—We can discover thathis work is steadily growing under Brother Bost. He is worthy of his name. The people call for his return. Conversions,—. Benevolences,—. Accesions, —. Money raised, —.

LEXINGTON.—Rev. D. Brooks, pastor.—A part of this work has done well this year, and a part not so well. Chestnut Grove became indifferent at the beginning of the year and still remains so. Lexington is doing what it can to keep up the work. They want relief.

MT. AIRY.—Rev. J. P. Franklin, pastor.—This work stands ahead for church work. They have their new church nearly completed. Brother Franklin has done his full duty in every respect Our church gives life and inspiration to all lovers of true holiness, and we think the next annual conference may feel safe in Mt. Airy. They all want Brother Franklin back.

RANDLEMAN.—Rev. S. L. May, pastor.—This work is in excellent condition. This work was changed from the Trinity to the Randle-

man charge last year. Brother May is a great revivalist and through this means he has brought his people up. He needs some help. His people are few and poor. Conversions, 45. Accessions, 35.

RAMSEUR.—Rev. S. A. Gibson, pastor. The work is in good condition. Brother Gibson is a good, active worker. He plans to help his people and they follow him. They desire his return. Conversions, 64. Accessions, 64. Benevolences, $30. Money raised, $475.

MADISON CIRCUIT.—D. McRae, pastor.—This work is somewhat divided. The people opposed Brother McRae before he reached his work and a part still hold out. Brother McRae has managed o stay on the work and live. This work needs to be helped.

SUMMERFIELD.—Rev. S. McDonald, pastor.—This work is not in as good condition as it ought to be. The people are somewhat dull on the matter of pastor's salary. Conversions, 30. Accessions, 21. Benevolences, $31.00. Money raised, $223.00.

THOMASVILLE.—S. R. McCorkle, pastor. Considerable improvements have been made on our churches at this place. Brother McCorkle has worked hard to build up his people and to teach them the way of holiness. Conversions, 84. Accessions, 50. Benevolences, $23.00. Money raised, $600.00.

WINSTON; ST. PAUL.—Rev. J. D. Diggs, pastor.—This charge is in a healthy condition spiritually and financially. I have been in Winston 10 years and have never known the time when the people were truer to their church obligations than now. The S. S., Epworth League and young people's prayer meeting have tendency to lift up our people. Conversions, 60. Accessions, 34. Money raised, $1965.00.

WINSTON CIRCUIT.—Rev. C. W. Walton, pastor. Brother Walton was used as a supply this year. He has labored hard on a very little salary. But we can see a healthy development in this work since last year. The churches have been beautified and considerable indebtedness paid off. Conversions, 32. Accessions, 30. Benevolences, $20.00. Money raised, $518.00.

WINSTON, MT. PLEASANT.—Rev. S. M. Hanes, pastor.—The question of pastoral support seems to be the only one on this charge. Otherwise it is a good one. Brother Hanes has worked hard to bring up the work. He has lived on very little this year. There is a very bright future for this work when it gets out of this financial crisis. Conversions, 14. Accessions, 36. Benevolences, $4.00. Money raised, $702.00.

WALNUT COVE.—Rev. C. E. Ball, pastor.—A great many of the members have left this point and it makes it very hard for the few to take care of the pastor. Brother Ball has had a very hard year, but some improvements have been made. Benevolences, $13.00. Money raised, $222.00.

MOCKSVILLE AND MOORESVILLE.—J. C. Derr.—This is a new work begun this year, with about two or three members. Now we have 53. All we need on this work is a good pastor and a few good churches and we will be safe. Conversions, 13. Accessions, 7. Benevolences, $5.00. Money raised, $60.00.

Respectfully submitted,

W. W. POPE, P. E.

MEMOIRS.

REV. W. G. MATTON.

It is with a feeling of deep regret that we submit to the divine call that hath summoned our brother, fellow pilgrim and co-laborer in the ministry, Rev. W. G. Matton, to pass from time to his reward in eternity. Brother Matton was one of the pioneers of the Methodist Episcopal Church in crossing the Mason and Dixon line after the close of the civil war. About the year 1886 he with a few others held the first Annual Conference at Union Chapel,

Bishop Ames presiding, and he himself performed the duty of secretary, which duty he continued for nine consecutive years. He was also Presiding Elder, presiding over the colored charges a great portion of the time, in which work he manifested the deepest interest. The calm and sweet spirit with which he was always possessed brought him in touch with the most humble of the colored brethren. At the division of the colored and white into two conferences in 1879 he served with the Southern Central, afterwards the Blue Ridge Conference until failing health placed him on the superannuated list, in which relation he continued until his death. He was a patient sufferer for several years from rheumatism and other ailments combined until June 16th, 1901, the summons came, and Brother Matton, in obedience thereto, passed from us to his home beyond the tide. Doubtless a happy soul hath joined the throng that ceaseless day and night lift up their voices amid the shouts of the redeemed.

J. E. CHAMPLIN,
D. BROOKS.

MRS. JANE ELMIRA McDONALD,

WIFE OF REV. L. G. McDONALD.

Wicked people only worry and drag out their days, and their life and toil to them are long and irksome. But as the sun, rising in beauty and throwing its golden spray over the world, marching onward to the western plains, and at the close of day silently demands that man suspend his labor, so the Christian awaits a day bright with pleasure and joy. And while darkness reigns the weary body lies upon the bed and enjoys the repose and dreams of night. This truth wonderfully asserts itself in its application to Sister McDonald. She was a consecrated servant of the Lord.

She was born in Clarion county S. C., and was converted in early childhood. While laboring with her husband, she walked by his side as an untiring and devoted wife, often bracing him up when weak and almost despondent.

She was conscious of her end, and bore her sickness with much patience and humility, ever cheerful and faithful, till on March the 10th the summons came for her to leave her labors and enter a glorious rest. And as any ladened body welcomes relief, and as conquerors welcome peace and conquest, so Sister McDonald calmly yielded to death, and her spirit floated through the ethereal blue to be at peace with God.

May His tender hands be about the bereft husband and the church till we too shall meet in the "sweet by and by."

G. B. McLEAN.

PRESIDENT McKINLEY.

In these days of highest civilization, culture, and national prosperity, how sadly does the intelligence come to us of such a deed as the fiendish act of the assassin to our late lamented and much beloved President of the United States.

President McKinley met his fatal blow at the bloody hand of the assassin while receiving the honors of his countrymen and extending his hand of brotherhood in the city of Buffalo.

His death brings grief and untold sadness, not only to this our own country, but to the civilized nations of the world. He was a citizen, simple and true; a patriot brave, with an undying love for his country. As a statesman, he was wise, manly, courageous, yet patient. He was a true methodist, the church of his choice, and as a Christian gentleman he was a worthy example. As President of the United States, he was one of the four who shall never die in the hearts of the whole people. But he sleeps.

Thou noble McKinley, sleep on; wrapt in thy gentle shroud, sleep on; Sleep on beneath the Sunlight and the stars; and while one little spot in Canton is permitted to hold the last remains of thy sacred dust, the greater McKinley still lives enshrined in the hearts of more than seventy million people.

J. D. CHAVIS.

MRS. D. BROOKS.

Mrs. D. Brooks was born September, 12, 1861. She died triumphantly July 23, 190 .

In the character and work of this sister we had a noble example of the mind of Christ wrought out in the life of his true follower She so lived the Christian life that in her life was manifested the goodness of God. Her light did truly shine, and by her good works many were attracted to the service of the Master and made to glorify our Father in heaven.

She was a great blessing both to the home she lived to serve and to the church of her choice. As she was faithful so she was fruitful and in her death there is great gain. She has heaven to reward her and we are blessed in that her works do follow her.

We trust that it may be our good fortune so to live that the good things resulting in the providence of God from such a noble life and triumphant death may be ours.

S. A. PEELER.

THE COMMITTEE ON FREEDMEN'S AID AND SOUTHERN EDUCATION SOCIETY

Beg leave to report that in their judgment there was never a time when the necessity for the uplifting and saving of the poor and degraded people of our own country was more urgent than now. We regard the Freedmen's Aid and Southern Education Society a suitable instrument in the providence of God for the accomplishment of this work and we believe that in the accomplishment of this for own people much is done also toward the salvation of the whole world. Such a cause deserves the deep interest of our pastors and an earnest presentation of its work annually before the people of our churches.

We recommend: 1. That every member and friend of the North Carolina Conference co-operate heartily with the General Committee in their effort to raise One Hundred Thousand Dollars to be applied to the debt of the Society. 2. That the conference make an earnest effort to raise the remainder of the Two Thousand Dollars pledged to Bennett College. 3. That the Conference accept a note made by the Freedman's Aid and Southern Education Society for Six Hundred and Forty-four Dollars and Seventy-four Cents, payable in five years, with interest at six per cent. semi-annually, as settlement of a loan made to Rev. J. D. Chavis. 4. That the apportionment to our Conference for the Freedman's Aid and Southern Education Society this year be Five Hundred Dollars and we urge the collection of this amount in full.

S. A. PEELER,
J. D. CHAVIS,
J. P. MORRIS.

EDUCATION.

We, the Committee on Education, beg leave to submit the following report:

It is with pleasure that we call your attention to the following facts communicated to us by the President and Corresponding Secretary of the Methodist Episcopal Church. This Board has lost no interest in the work intrusted to its care, but is faithfully endeavoring to promote the educational interests of the whole church as the facts hereinafter designated will show.

The earnest effort of this Board to promote the cause of Christian education among our people is a most gratifying one indeed. 'The conviction grows that Christian education must first of all be education."

The Sunday School Children's Fund, administered by the Board of Education, is accomplishing much good. The last annual report shows the following facts:

Number of students receiving aid, one thousand eight hundred and forty-three (1,843). Number of schools in which students were aided, one hundred and twenty-seven (127). Average amount loaned to each student, forty-four dollars and thirty-nine cents ($44.39). Total number of students aided from the beginning, in 1873, nine thousand six hundred and sixty-two (9,662). With an cents ($94.60.) During the first year the Board aided students average to each beneficiary of ninety-four dollars and sixty who gave their home residence or church relationship as within bounds of the North Carolina Conference to the number of fourteen (14) and to the amount of six hundred and five dollars ($605) The contributions of the Conference received by the Board for the year were two hundred and thirty-five dollars ($235).

The Minutes show a large number of charges not conlributing to the fund. We are persuaded that Children's Day should be observed in every charge, and that no other festival will prove more popular than this. It is the day of general contributions to the loan fund; for presenting the claims of higher Christian education so that hosts of our young people will be persuaded to go to a Christian college; and for so presenting the claims of our Master that thousands shall be brought into the church on this day.

On Children's Day the children's friends should be exalted. The fact that there are two educational collections ought not to cause complaint or confusion. The public educational collection is designed to help meet the current expenses of the local institutions of learning that are not sufficiently endowed. The two collections, however, should be kept entirely separate. It is not in harmony either with the letter or the spirit of the Discipline to combine these collections. They cannot even be taken on the same day without injury to both. The Conference and the Board of Education are alike interested in both collections. The one collection goes directly to support the schools; the other goes largely to keep the young people in these same schools. We call special attention to the Children's Day exercises prepared by the Board of Education, believing them to be better adapted to the Methodist Sunday schools and better fitted to promote the objects for which Children's Day was instituted than any other exercises likely to be obtained.

E. G. ANDREWS, Pres.

W. F. McDOWELL, Cor. Secretary.

We are glad to have in our midst Bennett College with Kent Home for girls at Greensboro, and the Allen Industrial Home, also for girls, at Asheville. With great pleasure do we point our young people to these institutions.

We recommend to our young men who expect to become members of the North Carolina Conference to take advantage of the benefits afforded at Gammon Theological Seminary, at Atlanta, Ga., and of the Boston School of Theology of Boston University, Boston, Mass.

Respectfully submitted,

EPWORTH LEAGUE.

We, the committee on Epworth League, beg leave to submit the following:

We are gratified to note the remarkable progress made in the League for the past year as seen in the large number of new chapters organized and the remarkable interest manifested by the 25,000 delegates who journeyed across the continent to hold the Fifth International Convention in July last That the League argues well for the future of the church is apparent to all.

The League is publishing through the Book Concern the largest circulated denominational organ in the world. Last year it netted for the charity fund of the Book Concern $15,000 which is an exhibition of the interest which the young people have in the veterans who have spent themselves in making Methodism what it is to day We note with great satisfaction the inauguration of a great Christian movement which is race wide and that it had its origin in our League through its representatives.

In view, therefore, of the encouraging signs for the largest work in the future which the League has ever done; be it

Resolved 1st. That we urge the organization of Epworth Leagues and Junior Leagues in every church, calling the attention of the brethren to the fact that if Epworth Leagues can be organized Junior Leagues can, as the Junior League takes in children from 3 to 14 years.

Resolved 2d. That we endorse the Young People's Christian Con-

gress to be held in Atlanta, Ga., August 6-11, 1902, and pledge ourselves to send delegates as requested, one from each Sunday-school and League Chapter.

Resolved 3d. We renew our effort to diligently cirulate the literature of the League, especially the Reading Course since it has been reduced in price to $1.00.

Respectfully submitted,

SABBATH OBSERVANCES.

We appreciate the fact that many people of pious inclinations regard this question for its supremacy of importance.

But there is a large and rapidly growing class who have virtually no regard for the Christian Sabbath. To every humble, believing soul there is great comfort in the approaching of this, the holiest of days. In the path of events that is being made possible by science and art, men are inclined to think that the art of Sabbath observance is a poor and unpopular one, and to be found in the holy sanctuary is unscientific on the Lord's Day.

Hence every conceivable question is produced against the sanctity of the same.

Technically speaking, it will be found in the great judgment morning, that Sunday railroad trains, steam boats, excursions of all grades, were direct sins against God. That a large per cent. of America's population has a greater greed for lucrative gains, and has put a greater stress upon art and science than upon religion is declared by the strong appeals in popular circles for the opening of exposition gates upon the Christian Sabbath. It is a shame and a backward step in the progress of the nation. The growing disregardfor the Christian Sabbath isnothing more nor less than anarchy. Anarchy is nothing more nor less than a defiance of law and order; disregard for the Lord's sanctuary; a wicked violation of the most holy laws and traditions; the failure of parents to gather their children at God's feet, results in the direst crimes, from single-handed murder at the card table to the brutal lynching of our fellow citizens, to the assassination of the President of the United States.

America must cleanse herself of this lawlessness, but certainly the church must take the lead in this aggressive effort for the coer-

cion and abolition of these great evils. The church must lead in the march of the nation's progress. The church is the interpreter, pacificator and the balm for the nation's troubles. This is God's way. 'His way is in the sanctuary," And He says, "Ye shall reverence my sanctuary, ye shall keep my Sabbaths." It is the prayer of this committee, for the good of all, that a greater adherence be observed for the Sabbath on the part of citizens of this state and nation and especially so of members of the Methodist Episcopal Church.

SCHOOL AND TRACTS SOCIETIES.

We recognize the Sunday School as one of the most important factors in the religious and educational life, not only of our own age, but of the ages to come, since it teaches the Bible and brings the gospel to vast multitudes in the responsive periods of childhood. The total Sunday-school population in the United States is more than 12,000,000, of whom there are in the Methodist Episcopal Church over 31,000 Sunday-schools, with 350,000 officers and teachers, and more than 2,600,000 scholars.

Inasmuch as the education of the young in religion is of the highest importance, we recommend: that great care be exercised in the selection of teachers.

The pastor and superintendent should mutually aid in choosing for the instruction of our children, men and women of earnest Christian character, with a knowledge of the Bible and aptness in teaching We hope the time is not far distant when every teacher in our Sunday-schools shall be a true follower of Jesus Christ, with a living experience. We urge that our pastors, and presiding elders everywhere see that our literature (which we believe to be the best for the purposes that can be obtained) is used in the Sunday-schools. We are confident that this will help to build up an earnest religious character, loyal to our church, among the young people who attend our Sunday-schools. We also recommend wherever practicable that the Home Department be established in connection with our Sunday-schools. We suggest that our pastors and Sunday-school officers send to the Book Concern for literature upon this subject.

TRACTS.

The Tract Society of the Methodist Episcopal Church aids in the circulation of religious literature, particularly in the form of tracts and leaflets, throughout the entire world. It is circulating literature in at least twelve languages in the United States alone, and in more than twenty languages in foreign lands. Every year it gives away 11,000,000 pages of tracts in the United States alone, besides sending $10,000 annually to our mission stations for aid in the publication and circulation of religious literature. We therefor urge that the regular collections for these causes, be more earnestly looked after by all the pastors.

We reccommend that the pastors in our conference avail themselves more generally of the liberal offer of the Tract Society, which provides that every preacher who will make application can receive from the Society free, in the form of tracts, one half of the last collection of his charge for the Tract Society. If a larger grant is needed, and his church is not able to pay for the tracts, the Society will make generous donations of tracts for distribution.

Inasmuch as the Tract Society needs the sum of $50,000 per annum in order to carry on its work throughout the church and the world, we urge that a collection be taken in all our churches during the year, and that our support, both morally and financially, be given to the efforts of this Society to spread a Christian literature throughout the world.

S. P. WEST,

CHURCH EXTENSION.

We, the committee on church extension, beg to submit the following report: We are glad to note that among the many progressive organizations in our church, the Board of Church Extension is one of more than ordinary importance, and therefore demands our earnest consideration and generous support.

It would doubtless be of interest to call attention to some figures indicating the strength and capabilities of this Society; also how our conference has fared, and what it has done.

During the last twenty-five years the Board of Church Extension has collected and disbursed $7,228,772.75. The General Fund for use by donations to churches has aggregated $4,528,801.80. The Loan Fund has a paramount capital of $1,194,379.62, and churches borrowing have returned $1,505,591.38, making the aggregate above given, $7,228 772.75, With this the board has aided 11,867 churches, more than one-third the entire number owned by our denomination.

Our conference has shared in this work as follows: The collections taken in our churches from the beginning to November 1, 1900, aggregated $2,538.78. Up to this time 119 within our bounds have received aid; by donations, $20,234.09, and by loans, $4,500.00, showing that we have received nine dollars for every one dollar we have given to this work.

It is especially necessary for us to note the fact that the part our Conference is to take in both giving and receiving is definitely fixed under provisions of the Discipline from year to year. Our Conference is asked to raise by collections $318, which is only about three cents per member; and our needy churches may on approved application receive $540, or about $160 for every $100 we raise. The amount of aid must depend on the amount of collections taken and cannot exceed the proportion above indicated. The interest, therefore, that we have in our own Conference, as well as in the general cause, ought to inspire us to use all diligence to collect the full amount asked, and more, if possible.

We should not forget, also, the demand of the Board for $1,000,000.00, New Century Fund, but let every brother strive to make himself felt in this great movement.

We, therefore, would urge the brethren of the North Carolina Conference to see to it that they do not forfeit the advantages of this very helpful organization in our church, by failing to raise the small amount apportioned to the several charges, but by a hearty co-operation with the plans given, will strive to increase the value of church property in this state to the greatest extent possible. Respectfully submitted,

J. D. DIGGS,
J. H. LOVELL,
A. W. McMASTER.

PERIODICALS AND CHURCH LITERATURE.

The printing press has made this an age of reading and of investigation. Books of all kinds are purchasable at prices within reach of even the poorest. There are good books and bad books. There are good papers and bad papers. It appears that just at this time corrupt and light books are the most popular. The effect upon the ideals of our young, and the blighting of home life demand that strong-minded and keen-eyed men shall set about to counteract this influence of evil The Methodist church for its growth and strength is as much indebted to her family of advocates, Book Concern, Tract Society, and Sunday School publications as to its distinguishing characthristic of holy enthusiasm and religious fervor,

It is the business of the Methodist preachers to disseminate Methodist literature, and as much his duty as to fill his pulpit and receive the church benevolent collection. Let there be a reviving of the "old-fashion" of the Methodist preachers distributing tracts and canvassing for the Advocate from house to house.

The committee is pained to learn that there are among us those who use other literature than our own. We recommend the use of no other literature than that published by our Book Concern.

We endorse the Southwestern Christian Advocate as our official organ and commend the able editorial work of Dr. I. B. Scott, its present editor.

BIBLE CAUSE.

The American Bible Society was founded in 1816 for the purpose of circulating the Holy Scipture. During the 85 years of its history it has distributed in all parts of the world millions of copies of the Bible. The yearly reports of the Society shows its activitv and usefulness. We recognize our great obligation to the Society for its invaluable help not only in our country, but more especially in our foreign field. There is no home in America excused for not having the "Precious Volume." The black man in the cave and cotton fields, the Indian in the forest and the foreigner in the slums of the cities all over the country can have perfect satisfaction through the instrumentality of this society.

WHEREAS, We are benefitted by having hundreds of Bibles given us, and by its wholesale influence the world is coming to Christ;

Resolved. That we do all we can to aid the society in this grand work.

B. F. THOMAS,
S. L. JOHNSON.

MISSIONS.

We, your committee beg leave to submit the following report:

The great commission, "Go ye into all the world and preach the gospel to every creature," renders this subject the most important in the bounds of Methodism.

The spread of the gospel is the spirit of mission. For this purpose this society, the greatest organ in the church, exists.

Obedience to God and duty to our fellow-men demands that we "Strengthen our cords and enlarge our tents," and thus firmly

plant the church in every county throughout the South and in all lands.

The condition of the Lord's poor in the bounds of the North Carolina Conference and throughout the world renders missions a potent factor in the uplifting and Christianizing the human race. The strong arm of this society lifted this Conference into being, and by its liberal appropriations annually the majority of our charges have the gospel preached unto them.

These are reasons why missions should be fostered by this Conference and the greatest liberal contributions made annually.

The territory occupied is no proof that the victory is won. The battle is scarcely on; there are several counties in the bounds of this Conference with thousands of our people who know nothing of the church. The day has fully come for us to enlarge our tents, and thus occupy the land of possibility, giving all the pure word of God. It is no reflection to say the hope of our people and the salvation of the world lies in the doctrine, and efforts of the Methodist Episcopal Church.

Through the Missionary Society, millions have been quickened into new life and made the instrument by which God is surely redeeming a race. The achievements wrought are marvelous and still "there remaineth very much land to be possessed." The purpose of the gospel, the condition of our people, the responsibilities that confront us and the field to be occupied by us renders it vitally important that we strive to double our collections. The territory must be occupied and to do this the appropriation needs to be enlarged before the Church can reach the people. While a glimmer of light has brightened the dawn of our horizon, the path of progress is dark, difficult, thorny and narrow.

We therefore recommend that this Conference double her efforts to sustain the cause of Missions.

J. P. FRANKLIN,
R. A. COTTINGHAM,
P. F. JOHNSON.

TOTAL ABSTINENCE AND PROHIBITION..

We believe that the greatest foe that the church has to combat is the whiskey saloons. The influence of these dens of sin is seen everywhere. The greatest per cent. of crimes committed, or the homes made sad and desolate is caused directly or indirectly by intemperence. Can we not hear appealing to us the wails of the widows and orphans? Shall we be deaf to the cries of loving fathers and

mothers whose sons and daughters are victims of this blood-thirsty dragon. Yea, from the regions of eternal darkness comes the groans of the souls that were damned by the cause of intemperence. Let the Christian ministry arouse themselves and unite every soldier into ranks to rout the giant "King Alcohol," and not stop until he is "dead, dead, dead."

That we may be more united in our efforts, be it resolved:

1st. That the ministry sustain the high standard of temperance that is laid down in the Discipline of the Methodist Episcopal Church by example and precept.

2nd. That we tender our influence, and aid every good cause,es pecially the heroic work by the ladies of the W. C. T. U.

3rd. That we wage war against every form of intemperance, especially the use of tobacco in all its forms.

WOMAN'S HOME MISSIONARY SOCIETY,

The Methodist Episcopal Church has many societies, any of which, if rightly fostered, will be a great uplift to any people. The Freedman's Aid and Southern Education Society is doing much good in the educational interest of our people. The Church Extension Society is building churches throughout the world. The tract Society is spreading gospel truths throughout this and other lands. The Epworth League is a great social benefit to our young people. With all these healthy organizations of our great Methodism, which is doing noble work in spreading the Kingdom of our Lord among the sons of men, the church would still be incomplete without the Woman's Home Missionary Society. This magnificent society never fails to do good work whenever it comes in contact with the people of this Southland.

The Allen Industrial Home, located in Asheville, N. C., superintended by Miss Alsie B. Dole, is doing a most excellent work—a work of which this Conference, especially, should be proud.

The Kent Home, located in Greensboro, N. C , superintended by Miss Crowell is doing a good work, which is being felt throughout this State. There is a great deal of local work being done by the good women of our Conference. Whereas, this society has been instrumental in effecting so much good among our people; be it

Resolved: That we, the preachers of the North Carolina Conference, stand by this society in all its work, and co-operate with these good women to secure plans and realize the best results.

R. D. BETHEA, Ch'n.

The Conference Organization of the Woman's Home Missionary Society of the North Carolina Conference held their First Anniversary October the 19th, 1901. This was a very interesting meeting, a beautiful discussion on the Home Missionary Society, in which Miss Pope, the Recording Secretary, led off with a most excellent paper. Many ministers and others took part in this discussion in which we could see that a deep and growing zeal for the work was being developed, as was manifested by their earnest expressions. We had the pleasure of listening to very hopeful and encouraging remarks given by Miss Crowell, Superintendent of Kent Home, and Miss Dole, Superintendent of the Allen Home at Asheville.

The Executive Committee met and had a meeting in the parlor of the President, Mrs. J. P. Morris, a day after the adjournment of the Conference, in which there was some important business transacted. The amount of money raised for Home Mission purposes this year was $78.00.

Charlotte organized June, 1901. Number of members, 14. Paid as dues, $3.00. For other purposes, $5.00. Total, $8.00.

Greensboro Auxiliary has done some work for her mission in helping to the amount of $19.00 toward putting a furnace in Kent Home. They send as dues, $5.00. For other purposes, $4.00. Total, $28.00.

Winston was organized October 28, 1900 Number of members, 32. Visits, 280. Given the poor baskets and packages of provisions, 41; garments, 13; quilts, 5. Amount of money, $5.95. Dues, $10.00. Amount raised for other purposes, $20.00.

Madison organization. Visits to the sick, 826. Bible readings, 50. Garments given to the poor, 34. Given to the sick, $26.00. To Kent Home, $6.00. Total given for Home Mission work and other purposes, 50.00.

Asheboro sent as dues, $2.00. Forest City, dues, $1.00.

STATE OF THE CHURCH.

We the committee on the State of the Church beg leave to submit the following.

On the Winston district two new churches have been built during the year and all things are well with the churches on the district.

On the Western district the church is all well and in good condition. On the Greensboro district the condition of the churches is good except that of Durham, where there is nothing, and that of the city of Raleigh, where there is but little; and some others on the Eastern portion of the district are weak; otherwise the state is good.

On the Wilmington district we lost our church at Fayetteville, it being sold for debt. At Kinston our church has fallen down, caused by the blocks rotting, which were the only pillars beneath to support it. At Newbern there is a handsome chapel without any members.

At Newport News a new membership and congregation has been organized and the rest of the district is reasonably good.
